FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 31 MARCH 2021

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

*This announcement, for which the directors (the “**Directors**”) of Astrum Financial Holdings Limited (the “**Company**”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “**GEM Listing Rules**”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this announcement is accurate and complete in all material aspects and not misleading or deceptive and there are no other matters the omission of which would make any statement herein or this announcement misleading.*

MANAGEMENT DISCUSSION AND ANALYSIS

PROSPECTS

In the views of the International Monetary Fund (“IMF”), global growth is projected at 6 percent in 2021, moderating to 4.4 percent in 2022. The projections for 2021 and 2022 are stronger than that in the October 2020. The upward revision reflects additional fiscal support in a few large economies, the anticipated vaccine-powered recovery in the second half of 2021, and continued adaptation of economic activity to subdued mobility.

Target economic growth rate of China this year has been set at 6% or above. The robust growth of economy of China could provide a major driving force for the recovery of the weakened global economy. However, the path of the pandemic, the effectiveness of vaccine-powered normalization and the evolution of financial conditions are uncertainty factors. The global and Hong Kong stock markets face continuous risks and uncertainties. The management of the Group would review and adjust business strategies on a regular basis with a prudent and balanced risk management approach so as to cope with the current unpredictable economic situation.

EVENT AFTER THE REPORTING PERIOD

Subsequent to 31 March 2021 and up to the date of this announcement, there was no significant event relevant to the business or financial performance of the Group that came to the attention of the Directors.

The Company is committed to achieving high standards of corporate governance to safeguard the interests of the shareholders of the Company and enhance its corporate value. The Company's corporate governance practices are based on the principles and code provisions as set out in the Corporate Governance Code in Appendix 15 to the GEM Listing Rules (the "CG Code").

Pursuant to A.2.1 of the CG Code, the roles of chairman and chief executive officer should be separated and should not be performed by the same individual. The division of responsibilities between the chairman and chief executive officer should be clearly established and set out in writing.

Given the current corporate structure, there is no separation between the roles of the chairman and the chief executive officer. Since May 2007, Mr. Pan has been managing the Group's business and supervising the overall operations of the Group. The Directors believe that the vesting of the roles of chairman of the Board and chief executive officer in Mr. Pan is beneficial to the business operations and management of the Group and will provide a strong and consistent leadership to the Group.
