## **PROFIT WARNING**

This announcement is made by Astrum Financial Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the nine months ended 30 September 2022 (the “**Current Period**”) and the information currently available to the Board, the Group is expected to record a net loss of approximately HK\$21.5 million for the Current Period, as compared to that of approximately HK\$12.6 million for the nine months ended 30 September 2021 (the “**Corresponding Period**”). Such expected increase in net loss for the Current Period is mainly attributable to (a) the significant decrease in revenue from approximately HK\$10.9 million for the Corresponding Period to approximately HK\$5.9 million for the Current Period; and (b) the recognition of fair value loss of the put and repurchase option relating to investment in an associate of approximately HK\$12.7 million in the Current Period (Corresponding Period: Nil), which was partially offset by the fair value gain of an unlisted investment fund of approximately HK\$6.8 million in the Current Period (Corresponding Period: loss of approximately HK\$0.1 million).

The fair value loss of the related put and repurchase option of approximately HK\$12.7 million was determined based on the appraisal of an independent professional valuer. Such fair value loss is an extraordinary item and non-cash in nature and will not have any material impact on the Group’s cash flows and daily operation of business.

As the Company is still in the process of finalising its third quarterly results for the Current Period, the information contained in this announcement is only based on the preliminary assessment made by the Board according to the information currently available and the unaudited consolidated management accounts of the Group for the Current Period, which have not been reviewed or audited by the Company's auditors or the Company's audit committee and may be subject to adjustment. The Shareholders and potential investors of the Company are advised to read to the details of the Company's third quarterly results announcement for the Current Period, which is expected to be published on 10 November 2022.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.**
